WHITNEY ENTRY IN FAVOR FOR PEVERILL OF THE PEAK PLATE.

Waher, Back in the Saddle After Vacation Still Leads the Jockeys Sergt. Sunshine, Latest Hope of the White Ruce, to Meet Bombardler Wells.

LONDON, Aug. 20 - For the first of the important fall turf fixtures, the Peverill of the Peak Plate to be run at Derby on September 2, it is believed that the Whitney Stable, which has two chances with Perseus III and Whisk Broom, stands about the best ow of landing the popular mile event the thirty-seven originally entered but sixteen remain. The most formidable opposition will come from Double Thrush whom Maher will have the mount. mont's Norman III is also well in, and in his best form would have a great chance. but he is no longer reliable and those who like to back the American entries will pin their faith to Joyner's selected

Maher, by the way, has returned to the track looking ruddy and brown after his vacation. His two weeks rest has not affected his standing as leading sockey very much, as he still heads the list with 6; wins and a percentage of 25.96. His nearest rival is Trigg, who with 51 firsts in the percentage column Frank Wootton, ship, has reached the 49 mark, being third on the list. His percentage is 16.44. Danny has to thank young Rickaby, the youthful apprentice, who can still claim the five pounds allowance, for the fact that his opponents for the honors have not got much nearer him. Rickaby astonished the

opponents for the honors have not get much nearer him. Rickaby astonished the racing world by winning eight races in one week. He is a little bit of a fellow who rides at 101 pounds and his success on Magic, when he beat the great Bayardo, with Maher on his back, at Goodwood, is still the talk of the stables.

What promises to be one of the most interesting events of next year is the new king George V. Stakes recently announced as a fixture for Goodwood. It will be for 3-vear-olds and upward at weight for age. \$150 each, \$50 forfeit, with \$5,000 added. The distance will be six furious, owing to the fact that there are already so many important events for the mile and upward at this meeting. As the new King will be an important subscriber to the turf next year this event is certain to bring forward most of the principal owners.

Jimmy Britt, acting on behalf of Hugh D. McIntesh, who has inargurated a world quest for a white champion, has succeeded in matching Sergt. Sunshine, a big Irish Fusiller, against Bombardier Wells, the hope of England, for twenty rounds on September 15 at McIntosh's recently leased place, the king's Hall, London. This will be the first of a series started by McIntosh to discover the real heavy weight champion of England. Sunshine at Liverpool a month ago defeated lan hiague, who won the title from Gunner Mor, but as two other burlies had beaten Hague previous to Sunshine's success his victory gave him no rights.

burites had beaten Hague previous to Sunshine's success his victory gave him no rights.

Freeddy Welsh and Young Josephs, the welterweight champion, will meet at Wonderland in September for the title the latter now holds. As Welsh has twice made a mug of Josephs, the match looks like a joke. Digger Stanley, who intended going to the States early in September, has agreed to postpone the visit in order to meet Jim Kenrick for the bantamweight championship of this country.

Im Driscoil and Spike Robson are sure to come together again. The match is practically made, and bids ranging from 18,000 to 18,000 are offered for it. Robson, however, prefers to have a try for the featherweight belt held by Driscoil, and as this prize can only be fought for at the National Sporting Club Robson desires that the match take place there.

Doc Roller, whose sudden defeat at the hands of the Indian Gama is of recent memory, is still confined to his room at the Hotel Waldorf mending his broken ribs. The doctors having his case in charge have stated that they are unable to understand how Roller continued with the match after having received the injuries he did. The match between Gama and Zbysco will take place on the Stadium grounds, where the Olympic Games were held, on September io. In the ladies 100 yard amateur championship, held at Westonsuper-Mare, Miss Steer of Cardiff beat the holder, Miss Jennie Fletcher of Leicester in 1 minute in 3-5 seconds, equalling the English record the quarter mile championship of Ireland at the Howth, County Dublin, regatia, beating the holder, O. A. O Neill, and three others in the new Irish record of 6 minutes. Frank M. Kanaly, the Boston professional half miller who has been over here looking
